History

For 35 Years CourthouseDirect.com has acquired public and private data to help our clients perform more efficient and comprehensive searching with faster results.

We employ scanning crews in courthouses and title plants all over Texas with the job of scanning, post processing, stapling and indexing documents and plats to provide our clients with unparalleled access to historical Real Property Records and Plats.

Definitions

Deeds – Documents labeled as “Deeds” are those documents typically considered as “Real Property” records such as Deeds, Mortgages, Easements, Oil & Gas Leases, Restrictions, etc.

Index - Grantor / Grantee Indexes and other “Real Property” indexes such as Deeds of Trust Index, Release Index, etc.

Probates – Probate Indexes and may include Docket Sheets and/or Probate Instruments

Maps – Historical and CURRENT Plats and Maps

Tax – Tax Cards and Tax Maps

Plant – Historical Geographically Indexed Back Plants (Subscription Required)

Note: There are many counties where most or all of the records for the county are electronic and available through our searchable Grantor/Grantee Indexes and Image databases. Therefore, there may be limited or no information available in the File Viewer for those counties.

DO WE HAVE WHAT YOU'RE LOOKING FOR? The following are county pages in the File Viewer at “Folder” level. Before subscribing please find the county or counties you are searching and confirm the data we have is what you need. **Still Searching?** Contact us: information@CourthouseDirect.com

We are proud to bring you Texas history as reflected in the public records! The CHD Team
